

Multicolor Spiral Paper Pad

Written By: Mmc

TOOLS:

- [Paper cutter \(1\)](#)
- [liquid paper glue \(1\)](#)

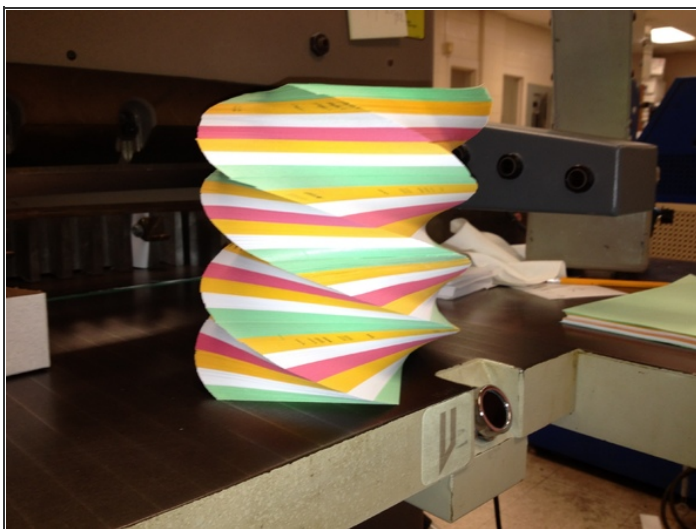

PARTS:

- [multicolor paper \(1\)](#)

SUMMARY

Step 1 — Colored paper

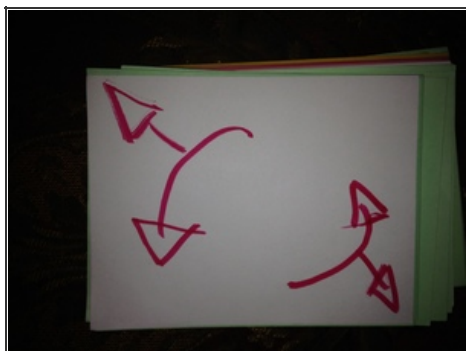

- Choose any different colors of paper that you desire and as much as you want.

Step 2 — Cut

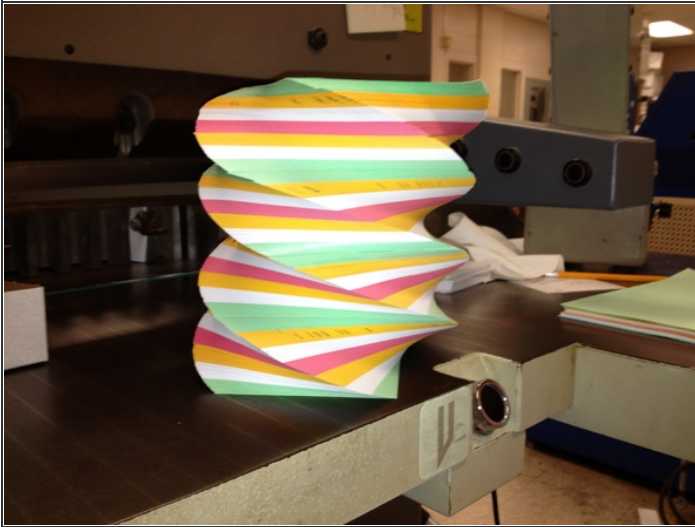

- Mix all the colors together, then cut the papers into pieces 4¼" by 5½".
- If you are using 8½"x11" paper, after cutting it you will end up with four little pads.

Step 3 — Making the spiral!

- Hold opposite corners of the stack.
- Then twist your hands in opposite directions.
- Turn the stack of paper around.
- Then twist your hands again.
- Give at least 10 twists and you will see the results.

Step 4 — Glue

- Glue one side of the spiral.
- The video will give you a better view of how to make the spiral and how to glue it.
- Enjoy your homemade note pad!
